

DECLARATION OF CONFORMITY

We, ASCO Kft Hungary, herewith declare the following:

TEST AND QUALITY CERTIFICATE

The ASCO NUMATICS products mentioned below and supplied against the indicated ASCO NUMATICS order reference numbers comply with ASCO NUMATICS catalogue specifications and with ASCO NUMATICS manufacturing procedures.

The products have been tested in accordance with ASCO NUMATICS test procedures and they were found to be completely satisfactory for the ratings as stamped on the nameplates.

The ASCO NUMATICS products are in conformity with the provisions of the following directives of the European Parliament and the council, on the approximation of the law of the member states concerning equipment and protective systems, and with national implementing legislation if applicable and that appropriate harmonized standards have been applied.

- Machinery Directive 2006/42/EC
- EMC Directive 2004/108/EC
- Gas Directive 90/396/EEC
- Low Voltage Directive 2006/95/EC
- Pressure Equipment Directive 97/23/EEC
- Restriction of the use of certain Hazardous substances in electrical and electronic equipment (RoHS) 2002/95/EC
- Equipment and Protective systems intended for use in potentially explosive atmospheres Directive 94/9/EEC (ATEX)

Guarantee

ASCO products are guaranteed in accordance with our terms and conditions of sale for the period of one year from date of shipment from our office.

Seller's Statement

Installation and Maintenance sheets are included with each valve.
